

**The Research Centre of the School of Economics and Business**  
cordially invites you to a research seminar  
on **Wednesday, 1<sup>st</sup> April 2020**  
at **13:00** in room **P-119**  
at the **School of Economics and Business, University of Ljubljana**

Presenter:

**Dr William Yeoh**

**BL Deakin Business School, Deakin University, Australia**

Title:

**Learning Analytics for Enhanced Students Performance**

Dr William Yeoh will present a case study based on the recently conducted learning analytics research. Using a large data set acquired from a postgraduate course offered at an Australian university, the research explores the students' online quiz completion patterns and the impact of instructional time constraint on online mastery learning. Specifically, utilising two-phase analytics, the study explores and visualises students' online quiz completion patterns and its association with their final examination performance.

You can register for the free seminar by phone (01) 58-92-489, or via e-mail:
